Every year it becomes more and more difficult to reach our fundraising goals, which limits the opportunities we can provide for our athletes. While we will cut the programs and additional activities necessary to make ends meet, our hope is to provide our athletes with the best experience possible. Since we rely heavily on the donations of our families, alumni, and community, we graciously ask if you would be willing to donate to our program, whether a dollar or more, all the additional contributions we receive will allow us to continue to provide the full experiences for the athletes. For donations, we accept checks (payable to Cerritos Cross Country) or you may go online to donate at <http://www.active.com/donate/cxcdons>. You may also select one of our advertising and sponsor packages especially if you own a business. Thank you so much from the bottom of our hearts for allowing us to provide for athletes and continuing the ohana spirit within our program.
