Practice & Race Conflicts

REOCCURRING CONFLICTS - Athletes who have a regular conflicts must talk to Coach Watanabe in order to determine if the program will flex around the commitment with the athlete. Although many commitments can be worked around, athletes must discuss the situation with Coach Watanabe as soon as possible.

INDIVIDUAL CONFLICTS – Athletes who must miss a practice due to a valid excuse must submit a note **TWENTY FOUR HOURS IN ADVANCE**. Although we try to be flexible, athletes should not abuse this flexibility and limit the number of practices they will be missing.

SUMMER CONFLICTS – Due to the fact that many athletes will go on vacation during the summer, athletes will not be removed from the team due to a summer vacation, however, athletes must demonstrate that they are prepared for the upcoming season by training during their absence.

RACE CONFLICTS – Conflicts with races should be cleared with Coach Watanabe at least a week prior to the meet. Athletes who fail to do this within the time period are subjected to the cost of meet entry, normally \$10. Athletes should refer to the schedule in order to ensure they limit their conflicts. Athletes should refer to the rules and regulations page regarding absences from races.
