THE GREAT COW RUN & THE HIGASHI ROMAN MEMORIAL RUN

The Great Cow Run is a high school cross country invitational celebrating the history of Cerritos. In order to remember its history as Dairy Valley, a cow theme has been implemented including lead cow bikers, cow bell as awards, as well as cow mile makers. The Higashi Roman Memorial Run is an open race that is used to honor the memory of two former Cerritos students who lost their lives in separate car accidents in 2007. Darren Higashi was an employee of the City of Cerritos who was an alumni of the school while Regina Nicole Roman was a student at the time of her passing.

To Whom It May Concern,

The Cerritos High School Cross Country team hosts an annual cross country invitational in September. In the past, over two thousands participants and spectators took part in this event from high schools across the area and residents of local cities supporting the efforts of the program. In partnership with the City of Cerritos, the Cerritos High School Cross Country team has begun planning for its 2017 event on September 2, tentatively planned to take place at Knabe Park, formerly Cerritos Regional Park. With the increased participation of the city, we hope to greatly increase the participation in our event. Currently, we are looking for sponsors and donations for our event in order to make it a successful one. The various levels of support will allow sponsors to find a package that is right for them while supporting our program at the same time!

In addition, you may decide that you rather select a package directed towards our program. The packages directed towards our program can help sponsor the activities of the program or allow an athlete participate who may not have otherwise been able to due to financial constraints. Our ability to continue to provide opportunities for our athletes is greatly attributed to your support. Support in any amount will greatly assist us in providing opportunities to all athletes. Thank you again for all of your continued support for our program and more importantly, our athletes!

Sincerely,

Jason Watanabe
